## About Happy Little Homemaker

On Happy Little Homemaker, you will find articles about the big 5 priorities in every Christian woman's life — God/Catholicism, taking care of yourself, marriage, parenting/homeschooling and everything related to home management.

HLH has relationships with several publishers for both adult and children fiction and non-fiction. I also work closely with the Schoolhouse Review Crew for homeschool-related reviews and Thomas Nelson with monthly resources for children. In addition, I have worked with My-BlogSpark, Tropical Traditions, DaySpring, EcoCentric Mom, Ocean-House Media, Power of Moms, and Purex.

## About Jen Steed

My name is Jen Steed and I am a Catholic wife and mother to two beautiful girls and a rugged little boy.

I love to write, read, and I consider myself expert in finding the shortest, easiest or best way to do something. I also love teaching my daughters and love technology — as long as it's useful! You can find me as a regular contributor to [CatholicMom](#), [Successful Homemakers](#) and [CatholicTourist](#). I have also appeared in local magazines—[Traverse Bay Family Magazine](#), [Grand Traverse Woman](#) and [Families First Monthly](#).
